Vinhomes Joint Stock Company

REPORT OF MANAGEMENT

Management of Vinhomes Joint Stock Company (“the Company”) is pleased to present this report and the separate financial statements of the Company for the year ended 31 December 2021.

MANAGEMENT’S RESPONSIBILITY IN RESPECT OF THE SEPARATE FINANCIAL STATEMENTS

Management is responsible for the separate financial statements of each financial year which give a true and fair view of the separate financial position of the Company and of the separate results of its operations and its separate cash flows for the year. In preparing those separate financial statements, management is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the separate financial statements; and
- prepare the separate financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue its business.

Management is responsible for ensuring that proper accounting records are kept which disclose, with reasonable accuracy at any time, the separate financial position of the Company and to ensure that the accounting records comply with the applied accounting system. It is also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Management confirmed that it has complied with the above requirements in preparing the accompanying separate financial statements.

STATEMENT BY MANAGEMENT

Management does hereby state that, in its opinion, the accompanying separate financial statements give a true and fair view of the separate financial position of the Company as at 31 December 2021 and of the separate results of its operations and its separate cash flows for the year then ended in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of the separate financial statements.

The Company has subsidiaries as disclosed in the separate financial statements. The Company prepared these separate financial statements to meet the prevailing requirements in relation to disclosure of information, specifically the Circular 96/2020/TT-BTC on disclosure of information on the securities market. In addition, as required by these regulations, the Company has also prepared the consolidated financial statements of the Company and its subsidiaries for the year ended 31 December 2021 (“the consolidated financial statements”) dated 31 March 2022

Vinhomes Joint Stock Company

REPORT OF MANAGEMENT (continued)

STATEMENT BY MANAGEMENT (continued)

Users of the separate financial statements should read them together with the said consolidated financial statements in order to obtain full information on the consolidated financial position, consolidated results of operations and consolidated cash flows of the Company and its subsidiaries.

INDEPENDENT AUDITORS' REPORT

To: The Shareholders of Vinhomes Joint Stock Company

We have audited the accompanying separate financial statements of Vinhomes Joint Stock Company ("the Company") as prepared on 31 March 2022 and set out on pages 7 to 72, which comprise the separate balance sheet as at 31 December 2021, the separate income statement and the separate cash flow statement for the year then ended and the notes thereto.

Management's responsibility

Management is responsible for the preparation and fair presentation of these separate financial statements in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of the separate financial statements, and for such internal control as management determines is necessary to enable the preparation and presentation of the separate financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these separate financial statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the separate financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the separate financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the separate financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Company's preparation and fair presentation of the separate financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the separate financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Building a better
working world

Opinion

In our opinion, the separate financial statements give a true and fair view, in all material respects, of the separate financial position of the Company as at 31 December 2021, and of the separate results of its operations and its separate cash flows for the year then ended in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of the separate financial statements.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS
as at 31 December 2021 and for the year then ended

1. CORPORATE INFORMATION

Vinhomes Joint Stock Company ("the Company") is a joint stock company incorporated under the Law on Enterprise of Vietnam pursuant to the Business Registration Certificate No. 0103022741 issued by the Hanoi Department of Planning and Investment on 6 March 2008 and the Enterprise Registration Certificate No. 0102671977 dated 5 August 2010 on registration of a shareholding company. The Company also subsequently received amended Enterprise Registration Certificates with the 34th amendment dated 11 March 2022 as the latest.

The current principal activities of the Company are to develop real estate property for sale, provide leasing of offices, render real estate management and related services, provide general contractor services, consulting and designing construction services, supervision and construction management services.

The Company's head office is located at Symphony Office Tower, Chu Huy Man Street, Vinhomes Riverside Eco-urban Area, Phuc Loi Ward, Long Bien District, Hanoi, Vietnam.

Vingroup JSC is the Company's parent. Vingroup JSC and its subsidiaries are hereby referred as "the Group".

The Company's normal course of business cycle of real estate development activity begins when the Company receives investment certificate, carries out land clearance and construction works until the project is completed. Accordingly, the normal course of business cycle of real estate development activity ranges from 12 months to 36 months.

The Company's normal course of business cycle of other activities is normally within 12 months.

The number of the Company's employees as at 31 December 2021: 7,676 (31 December 2020: 7,688).

Corporate structure

As at 31 December 2021, the Company has 32 subsidiaries (as at 31 December 2020: 33 subsidiaries). The information on these subsidiaries and their short names, along with the Company's direct and indirect voting rights and direct and indirect equity interest in each subsidiary are detailed in the Appendix 1.

Important event in the year

Covid-19 pandemic

The Covid-19 pandemic is adversely impacting the whole economy and most businesses and industries. This situation may bring uncertainties and have an impact on the environment in which the Company operates. The Company's management has continuously monitored ongoing developments and assessed the financial impact in respects of the valuation of assets, provisions and contingent liabilities, and has used estimates and judgement in respect of various issues as the situation has evolved, using the best information obtained up to the date of these separate financial statements.

Due to the unprecedented circumstance of the Covid-19 pandemic, the assumptions made for the preparation of the prospective financial information are less certain and require a higher degree of caution of management/independent valuers in preparing those information than under normal market conditions. Management/independent valuers make assumptions based on the best information available at the balance sheet date. Changes to those assumptions may affect the separate financial position, separate results of operations and separate cash flows of the Company.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

2. BASIS OF PREPARATION

2.1 Purpose of preparing the separate financial statements

The Company has subsidiaries as disclosed in Note 16.1 and Appendix 1. The Company prepared the separate financial statements to meet the prevailing requirements in relation to disclosure of information, specifically the Circular No. 96/2020/TT-BTC on disclosure of information on the securities market. In addition, as required by these regulations, the Company has also prepared the consolidated financial statements of the Company and its subsidiaries for the year ended 31 December 2021 ("the consolidated financial statements") dated 31 March 2022.

Users of the separate financial statements should read them together with the consolidated financial statements in order to obtain full information on the consolidated financial position, consolidated results of operations and consolidated cash flows of the Company and its subsidiaries.

2.2 Accounting standards and system

The separate financial statements of the Company are expressed in Vietnam dong ("VND"), which is prepared in accordance with Vietnamese Enterprise Accounting System and Vietnamese Accounting Standards issued by the Ministry of Finance as per:

- ▶ Decision No. 149/2001/QĐ-BTC dated 31 December 2001 on the Issuance and Promulgation of Four Vietnamese Accounting Standards (Series 1);
- ▶ Decision No. 165/2002/QĐ-BTC dated 31 December 2002 on the Issuance and Promulgation of Six Vietnamese Accounting Standards (Series 2);
- ▶ Decision No. 234/2003/QĐ-BTC dated 30 December 2003 on the Issuance and Promulgation of Six Vietnamese Accounting Standards (Series 3);
- ▶ Decision No. 12/2005/QĐ-BTC dated 15 February 2005 on the Issuance and Promulgation of Six Vietnamese Accounting Standards (Series 4); and
- ▶ Decision No. 100/2005/QĐ-BTC dated 28 December 2005 on the Issuance and Promulgation of Four Vietnamese Accounting Standards (Series 5).

Accordingly, the separate financial statements are included and are not designed for those who are not informed about Vietnam's accounting principles, procedures and practices and furthermore are not intended to present the separate financial position and separate results of operations and separate cash flows in accordance with accounting principles and practices generally accepted in countries other than Vietnam.

2.3 Applied accounting documentation system

The Company's applied accounting documentation system is the General Journal.

2.4 Fiscal year

The Company's fiscal year applicable for the preparation of its separate financial statements starts on 1 January and ends on 31 December.

2.5 Accounting currency

The separate financial statements are prepared in VND which is also the Company's accounting currency. For the purpose of presenting the separate financial statements as at 31 December 2021, the figures are rounded to the nearest millions and presented in millions of Vietnam dong ("million VND").

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 *Changes in accounting policies and disclosures*

The accounting policies adopted by the Company in preparation of the separate financial statements are consistent with those followed in the preparation of the Company's separate financial statements for the year ended 31 December 2020, except for the change in the accounting policy in relation to appropriation of net profits (*Note 3.17*).

3.2 *Cash and cash equivalents*

Cash and cash equivalents comprise cash on hand, cash at banks and short-term, highly liquid investments with an original maturity of not more than three months that are readily convertible into known amounts of cash and that are subject to an insignificant risk of change in value.

3.3 *Inventories*

Inventories are stated at the lower of cost incurred in bringing each product to its present location and condition, and net realisable value.

Net realisable value ("NRV") represents the estimated selling price in the ordinary course of business less the estimated costs to complete and the estimated costs necessary to make the sale.

Inventory property

Property acquired or being constructed for sale, rather than to be held for rental or capital appreciation, is held as inventory property and is measured at the lower of cost and NRV.

Cost of inventory property includes:

- ▶ Freehold, leasehold and development rights for land;
- ▶ Amounts payable/paid to contractors for construction; and
- ▶ Borrowing costs, planning and design costs, costs of site preparation, professional fees for legal services, property transfer taxes, construction overheads and other related costs.

Net realisable value is the estimated selling price in the ordinary course of the business, less costs to completion and the estimated costs to sell.

The cost of inventory property recognised in the separate income statement is determined with reference to the specific costs incurred on the property sold and an allocation of any non-specific costs based on reasonable allocation criteria.

Construction inventory

The Company uses perpetual method to record raw materials and merchandise which are valued at cost of purchase on a weighted average basis.

Work in progress of construction contracts comprises costs of materials, labour costs, construction costs payable to sub-contractors and other related costs which have not been accepted by the investors at the date of the separate financial statements.

Other inventories

The Company uses perpetual method to record other inventories which are valued at cost of purchase on a specific identification basis.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.3 Inventories (continued)

Provision for obsolete inventories

An inventory provision is created for the estimated loss arising due to the impairment of value (through diminution, damage, obsolescence, etc.) of finished goods, and other inventories owned by the Company, based on appropriate evidence of impairment available at the separate balance sheet date.

Increases or decreases to the provision balance are recorded into the cost of goods sold account in the separate income statement.

3.4 Receivables

Receivables are presented in the separate financial statements at the carrying amounts due from customers and other debtors, after provision for doubtful debts.

The Company contributes assets into Business and Investment Co-operation Contracts, including shopping mall, hotel and school components, in which corporate counterparties have the right to operate, exploit and manage these components since the commencement of operation, and the Company is entitled to receive a portion of profits from operation. Under such circumstances, the Company's capital contribution into the Business and Investment Co-operation Contracts will be recognised in other receivables on the separate balance sheet at the time the Company hands over the assets to operate and exploit.

The provision for doubtful debts represents amounts of outstanding receivables at the separate balance sheet date which are doubtful of being recovered. Increases or decreases to the provision balance are recorded as general and administrative expense in the separate income statement.

3.5 Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation.

The cost of a tangible fixed asset comprises its purchase price and any directly attributable costs of bringing the tangible fixed asset to working condition for its intended use.

Expenditures for additions, improvements and renewals are added to the carrying amount of the assets and expenditures for maintenance and repairs are charged to the separate income statement as incurred.

When tangible fixed assets are sold or retired, any gain or loss resulting from their disposal (the difference between the net disposal proceeds and the carrying amount) is included in the separate income statement.

3.6 Leased assets

The determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at inception date and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset and the arrangement conveys a right to use the asset.

A lease is classified as a finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership of the asset to the lessee. All other leases are classified as operating leases.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.6 Leased assets (continued)

Where the Company is the lessor

Assets subject to operating leases are presented as investment properties in the separate balance sheet. Initial direct costs incurred in negotiating an operating lease are recognised in the separate income statement as incurred.

Lease income is recognised in the separate income statement on a straight-line basis over the lease term.

Where the Company is the lessee

Rentals under operating leases are charged to the separate income statement on a straight-line basis over the lease term.

3.7 Intangible fixed assets

Intangible fixed assets are stated at cost less accumulated amortisation.

The cost of an intangible fixed asset comprises its purchase price and any directly attributable costs of preparing the intangible fixed asset for its intended use.

Expenditures for additions, improvements are added to the carrying amount of the assets and other expenditures are charged to the separate income statement as incurred.

When intangible fixed assets are sold or retired, any gain or loss resulting from their disposal (the difference between the net disposal proceeds and the carrying amount) is included in the separate income statement.

3.8 Depreciation and amortisation

Depreciation of tangible fixed assets and amortisation of intangible fixed assets are calculated on a straight-line basis over the estimated useful life of each asset as follows:

Buildings and structures	41- 48 years
Machinery and equipment	5 - 10 years
Means of transportation	6 - 10 years
Office equipment	3 - 5 years
Computer software	3 - 5 years
Others	3 - 5 years

3.9 Investment properties

Investment properties are stated at cost including transaction costs less accumulated depreciation.

Subsequent expenditure relating to an investment property that has already been recognised is added to the net book value of the investment property when it is probable that future economic benefits, in excess of the originally assessed standard of performance of the existing investment property, will flow to the Company.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.9 *Investment properties* (continued)

Depreciation of investment properties is calculated on a straight-line basis over the estimated useful life of each asset as follows:

Definite land use rights, buildings and structures	27 - 50 years
Machinery and equipment	9 - 10 years

No amortisation is charged on the land use rights presented as investment properties with indefinite terms.

For long-term lease of investment properties which the Company receives rental fee in advance for many periods and rental income is recognised one at the entire rental amount received in advance as presented in Note 3.19, depreciation and amortisation of these investment properties are recognised with entire amount at the point of revenue recognition.

Investment properties are derecognised when either they have been disposed of or when the investment properties are permanently withdrawn from use and no future economic benefit is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the assets is recognised in the separate income statement in the period of retirement or disposal.

Transfers are made to investment properties when, and only when, there is a change in use, evidenced by ending of owner-occupation, commencement of an operating lease to another party or ending of construction or development. Transfers are made from investment properties when, and only when, there is change in use, evidenced by commencement of owner-occupation or commencement of development with a view to sale. The transfer from investment property to owner-occupied property or inventories does not change the cost or the carrying value of the property for subsequent accounting at the date of change in use.

3.10 *Borrowing costs*

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

Borrowing costs are recorded as expense during the period in which they are incurred, except to the extent that borrowing costs are directly attributable to the acquisition, construction or production of an asset that necessarily take a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset.

3.11 *Prepaid expenses*

Prepaid expenses are reported as short-term or long-term prepaid expenses on the separate balance sheet and amortised over the period for which the amounts are paid or the period in which economic benefit are generated in relation to these expenses.

Short-term prepaid expenses include commission fees for selling inventory properties, and other prepaid expenses which are expected to generate future economic benefits within one ordinary course of business cycle.

Long-term prepaid expenses include tools and equipment used, rental prepaid expenses and other prepaid expenses that bring future economic benefits over a period of more than one year.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.12 Investments

Investments in subsidiaries

Investments in subsidiaries over which the Company has control are carried at cost.

Distributions from accumulated net profits of the subsidiaries arising subsequent to the date of acquisition are recognised in the separate income statement. In case the accumulated net profits for distributions are not specified, the Company prioritises the accumulated net profits of the subsidiaries arising subsequent to the date of acquisition for distributions. Distributions from sources other than from such profits are considered a recovery of investment and are deducted to the cost of the investment.

Investments in associates

Investments in associates over which the Company has significant influence are carried at cost.

Distributions from accumulated net profits of the associates arising subsequent to the date of acquisition are recognised in the separate income statement. Distributions from sources other than from such profits are considered a recovery of investment and are deducted to the cost of the investment.

Held-for-trading securities and investments in other entities

Held-for-trading securities and investments in other entities are stated at their acquisition costs.

Provision for diminution in value of investments

Provision of the investment is made when there are reliable evidences of the diminution in value of those investments at the separate balance sheet date.

Increases or decreases to the provision balance are recorded as finance expense in the separate income statement.

Held-to-maturity investments

Held-to-maturity investments are stated at their acquisition costs. After initial recognition, held-to-maturity investments are measured at recoverable amount. Any impairment loss incurred is recognised as finance expense in the separate income statement and deducted against the value of such investments.

3.13 Payables and accruals

Payables and accruals are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Company. Payables to construction contractors are recognised for amounts certified by the construction work certificate signed with contractors, whether or not billed to the Company.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.14 Provisions

General provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognised as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the separate income statement net of any reimbursement.

The Company assesses onerous contracts are those contracts in which, the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it. The Company recognises and assesses obligations under onerous contracts as provisions and these provisions are made for each onerous contract.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance expense.

Warranty provision for inventory properties

The Company estimates provision for warranty expenses based on revenues and available information about the repair of inventory properties sold in the past.

3.15 Foreign currency transactions

Transactions in currencies other than the Company's reporting currency of VND are recorded at the actual transaction exchange rates at transaction dates which are determined as follows:

- ▶ Transactions resulting in receivables are recorded at the buying exchange rates of the commercial banks designated for collection;
- ▶ Transactions resulting in liabilities are recorded at the selling exchange rates of the commercial banks designated for payment;
- ▶ Capital contributions are recorded at the buying exchange rates of the commercial banks designated for capital contribution; and
- ▶ Payments for assets or expenses without liabilities initially being recognised is recorded at the buying exchange rates of the commercial banks that process these payments.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.15 Foreign currency transactions (tiếp theo)

At the end of the year, monetary balances denominated in foreign currencies are translated at the actual transaction exchange rates at the balance sheet dates which are determined as follows:

- ▶ Monetary assets are translated at buying exchange rate of the commercial bank where the Company conducts transactions regularly; and
- ▶ Monetary liabilities are translated at selling exchange rate of the commercial bank where the Company conducts transactions regularly.

All foreign exchange differences incurred are taken to the separate income statement.

3.16 Treasury shares

Own equity instruments which are reacquired (treasury shares) are recognised at cost and deducted from equity. No gain or loss is recognised in profit or loss upon purchase, sale, issue or cancellation of the Company's own equity instruments.

3.17 Appropriation of net profits

Net profit after tax (excluding gain arising from a bargain purchase) is available for appropriation to shareholders pursuant to decision of the Board of Directors (approved by the General Meeting of Shareholders), and after making appropriation to reserve funds in accordance with the Company's Charter and Vietnam's regulatory requirements.

The Company recognises the distribution of cash dividends when such appropriation is approved by the shareholders at the General Shareholders' Meeting; and recognises the distribution of stock dividends when such appropriation is approved by the shareholders at the General Shareholders' Meeting and authorised State bodies.

The Company maintains the reserve funds which are appropriated from the Company's net profit after approval by shareholders at the General Shareholders' Meeting.

3.18 Advances from customers purchasing inventory properties

Payments received from customers as deposits for purchasing inventory properties in the future, that do not meet the conditions for revenue recognition, are recognised and presented as "Advances from customers" in the liability section in the separate balance sheet. Incentives under promotion programs which are, in substance, revenue deductions are offset against account "Advances from customers" which are not qualified to be recognised as revenue for the period.

3.19 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, excluding trade discount, rebate and sales return. The following specific recognition criteria must also be met before revenue is recognised:

Revenue from sale of inventory properties

Revenue from sale of inventory properties is recognised when the significant risks and rewards incident to ownership of the properties have been passed to the buyer.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.19 Revenue recognition (continued)

Rental income

Periodic rental income

Rental income arising from leased properties is recognised in the separate income statement on a straight-line basis over the lease terms of ongoing leases.

Rental income recognised one time

For lease of assets which the Group receives rental fee in advance for many periods and the lease periods cover more than 90% of the useful life of the assets, rental income is recognised one time at the entire rental amount received in advance when all these conditions are met:

- ▶ The lessee is not entitled to cancel the lease contract and the Company and its subsidiaries has no obligation to repay the amount received in advance in all cases and in all forms ;
- ▶ The amount received in advance from the lease is not less than 90% of the total rental amount expected to be fulfilled under the contract during the lease term and the lessee must pay the entire amount of lease within 12 months from the beginning of the lease;
- ▶ Almost all the risks and benefits associated with ownership of the leased asset are transferred to the lessee; and
- ▶ The Company and its subsidiaries must estimate relatively the full cost of the lease .

Sale of goods

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually upon the delivery of the goods.

Rendering of services

Revenue from rendering of services is recognised when the services are rendered to customers.

Income from Business and Investment Co-operation Contracts in which the Company is entitled to profit before tax or profit after tax

Under Business and Investment Co-operation Contracts not in the form of jointly controlled assets or jointly controlled operations in which the Company contributes capital in cash, distributed income is recognised as financial income in the separate income statement.

Under Business and Investment Co-operation Contracts not in the form of jointly controlled assets or jointly controlled operations in which the Company contributes capital with assets, distributed income is recognised as revenue in the separate income statement.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.19 Revenue recognition (continued)

Interest

Income is recognised as the interest accrues (taking into account the effective yield on the asset) unless collectability is in doubt.

Dividends

Income is recognised when the Company's entitlement as an investor to receive the dividend is established.

Income from capital transfer

Income from capital transfer is identified as difference between transfer consideration and cost of capital transfer. This income is recognised on date when the transaction arises being the date when the transfer contract is exercised.

Revenue from goods and services and/or attached goods in multiple elements package

In the transaction in which the Company provides multiple products and services to the customer in the same arrangement, the Company determines the obligation to sell the product and the obligation to render the services separately and only recognises the revenue when each individual obligation is completed by the Company. The contract value is allocated to individual product by taking the total contract value minus the estimated fair value of the service. Payments from customers under contracts corresponding to the unfulfilled obligations are presented as "Advances from customers" or "Unearned revenues" in the separate balance sheet.

3.20 Construction contract

Where the outcome of a construction contract can be estimated reliably, revenue and costs are recognised by reference to the stage of completion of the contract activity at the balance sheet date, as measured by reference to the work performed that has been agreed by customers. Variations in contract work, claims and incentive payments are included to the extent that they have been agreed with the customer.

Where the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised to the extent of contract costs incurred that it is probable will be recoverable. Contract costs are recognised as expenses in the period in which they are incurred.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.21 Taxation

Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted as at the separate balance sheet date.

Current income tax is charged or credited to the separate income statement, except when it relates to items recognised directly to equity, in which case the current income tax is also dealt with in equity.

Current income tax assets and liabilities are offset when there is a legally enforceable right for the Company to offset current tax assets against current tax liabilities and when the Company intends to settle their current tax assets and liabilities on a net basis.

Deferred tax

Deferred tax is provided using the liability method on temporary differences at the separate balance sheet date between the tax base of assets and liabilities and their carrying amount for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- ▶ where the deferred tax liability arises from the initial recognition of an asset or liability in a transaction which at the time of the related transaction affects neither the accounting profit nor taxable profit or loss; and
- ▶ in respect of taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures where timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carried forward unused tax credit and unused tax losses, to the extent that it is probable that taxable profit will be available against which deductible temporary differences, carried forward unused tax credit and unused tax losses can be utilised, except:

- ▶ where the deferred tax asset in respect of deductible temporary difference which arises from the initial recognition of an asset or liability which at the time of the related transaction, affects neither the accounting profit nor taxable profit or loss; and
- ▶ In respect of deductible temporary differences associated with investments in subsidiaries, associates, and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2021 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.21 Taxation (continued)

Deferred tax (continued)

The carrying amount of deferred tax assets is reviewed at each separate balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Previously unrecognised deferred tax assets are re-assessed at each separate balance sheet date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled based on tax rates and tax laws that have been enacted at the separate balance sheet date.

Deferred tax is charged or credited to the in the separate income statement, except when it relates to items recognised directly to equity, in which case the deferred tax is also dealt with in the equity account.

Deferred tax assets and liabilities are offset when there is a legally enforceable right for the Company to off-set current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority on:

- ▶ either the same taxable entity; or
- ▶ when the Company intends either to settle current tax liabilities and assets on a net basis or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

3.22 Segment information

A segment is a component determined separately by the Company which is engaged in providing products or related services (business segment) or providing products or services in a particular economic environment (geographical segment), that is subject to risks and returns that are different from those of other segments.

Management determined the Company's business segments based on the type of products sold and services rendered.

3.23 Related parties

Parties are considered to be related parties of the Company if one party has the ability to control the other party or exercise significant influence over the other party in making financial and operating decisions, or when the Company and other party are under common control or under common significant influence. Related parties can be enterprise or individual, including close family members of their families.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.24 Merger

Merger transactions involving entities, which do not have parent-subsidary relationships are carried out as follows:

- ▶ Assets, liabilities and equity of the merged entities are recorded at their carrying value at the date of the merger;
- ▶ The separate income statement reflects the business result from the date of the merger; and
- ▶ No goodwill arising from the merger transaction.

In case the parent company dissolves the subsidiary and merges all assets and liabilities of the subsidiary into the parent company (the parent company inherits all interests and liabilities of the subsidiary), the accounting shall be done according to rules below:

- ▶ A decrease in book value of investments in the dissolved subsidiary of the parent company shall be recorded;
- ▶ All assets and liabilities of the dissolved subsidiary shall be recorded to separate balance sheet of the parent company according to fair value on the date on which the subsidiary is merged into the parent company; and
- ▶ The difference between the cost of investment in subsidiary and the fair value of assets and liabilities shall be recorded to finance income or finance expenses.

3.25 Demerger

Demerger transactions where the Company is the demerged company are carried out as follows:

- ▶ Assets, liabilities transferred to the new company is deducted from the respective items in the separate balance sheet by the carrying value at the date of demerger;
- ▶ Difference between assets and liabilities transferred to the new company is deducted from equity in the separate balance sheet; and
- ▶ No gain or loss is recognised for the demerger transaction.

3.26 Bond issuance transaction cost

Transaction costs relating to bond issuance are charged to the separate income statement on a straight-line basis over the term of the bond. At initial recognition, these transaction costs are deducted from liability component of the bond.

31. CORPORATE INCOME TAX

The current corporate income tax ("CIT") rate applicable to the Company is 20% of taxable profits (previous year: 20%).

The tax returns filed by the Company is subject to examination by the tax authorities. As the application of tax laws and regulations is susceptible to varying interpretations, the amounts reported in the separate financial statements could be changed at a later date upon final determination by the tax authorities.
