4Q2024 Macro Update & Market Trend

Vietnam's Economy Poised for Robust Growth in 2025

Vietnam's GDP among region's highest, expected to show strong resilience in 2025

Stable low interest rates to support market rebound

Implementing new legal framework to facilitate the recovery of real estate market

29 Mar PM assigned the Ministry of Construction to propose a plan for issuing **government bonds to support interest rates for social housing investment and construction.**

19 Jun The government decided to **raise base salaries for state employees by 30%** and **pensions for retirees by 15%** with new min. wage adjustments taking effect.

1 Jul SBV announced a proposal to amend the VND 120,000 billion credit package with **enhanced preferential terms.**

1 Aug The **New Land Law, the Law on Real Estate Business, and the Housing Law** officially have come into force.

20 Dec PM issued an official dispatch on accelerating economic growth to achieve a **GDP expansion rate of 8-10% in 2025, higher than the National Assembly's target at 6.5-7%.**

31 Dec SBV set a **credit growth target of 16%** for 2025.

4 Jan PM instructed to continue addressing 32 out of 66 real estate projects facing prolonged legal issues in HCMC.

Public investment disbursement set to accelerate with 2025 amended Law on Public Investment

Disbursed FDI in Vietnam reached record high

Hanoi – Sustained Growth and Robust Demand Projected for 2025

Condominium: New supply tripled 2023 levels with healthy absorption rate

Landed property: Supply remains strong, supported by sustained demand

High-end supply boosted condominium price growth

Infrastructure upgrades expected to drive market demand

In Hanoi, **Le Quang Dao road extension project** and **Thanh Oai economic axis** with a capital of more than VND 1,200 billion are nearing completion, expected to be completed by the end of 2024. These initiatives will **enhance regional connectivity** and serve as a driving force for the capital's socio-economic development.

November 2024

A tunnel accommodating 6 lanes, with a total width of 27.1 meters will be constructed at the **Co Linh Intersection on the road to Vinh Tuy Bridge (Ring Road 2)**. The underpass will **facilitate connectivity of surrounding roads, mitigate traffic congestion, and gradually enhance the transport infrastructure system.**

December 2024

HCMC – Strong Indicators of Market Recovery and Growth in 2025

Condominium: Positive absorption despite new record-low supply

Units

Landed property: Supply increases eightfold, followed by improved absorption

Units | VND million psm

Increased supply of high-end and luxury units drives average prices

VND million psm

Market demand anticipated to rise due to infrastructure upgrades

The opening of Metro Line 1, connecting HCMC's three major urban areas, has **driven 15-20% increase in real estate value within a 500-meter radius of its stations**. Additionally, the infrastructure boosts the city's urban development by **strengthening regional connectivity, reducing fragmentation, and improving traffic conditions**.

December 2024

HCMC Department of Transport proposed to **upgrade the National Highway 13 through Thu Duc City** by building a 3.7 km-long, 4-lane elevated road alongside the expansion of 60-meter-wide section. The **total investment for the project is nearly VND 20 trillion**, with **completion expected by the first quarter of 2026**.

November 2024

4Q2024 Business Updates

1. Vinhomes Strives to Pioneer New Standards of Residential Living

New precinct launches with favorable sales policies

During the last quarter of 2024, Vinhomes inaugurated new precincts in its mega developments, including The Paris subdivision at Vinhomes Ocean Park 1 (Hanoi), The Kyoto 03 - The Premium subdivision at Vinhomes Star City (Thanh Hoa), along with model houses and commercial streets at key projects.

Source: Company Information.

Strengthening strategic partnership with international partners

On December 29, Vinhomes signed a MoU concerning comprehensive strategic cooperation with Nomura Real Estate to develop a residential district consisting of 3,000 units in Vinhomes Royal Island. The developments will feature distinctive designs that blend the essence of Japanese aesthetics, transcending traditional homes and streetscapes.

Pioneering in elevating living and working standards for the community

Driven by a commitment to sustainability, Vinhomes earned 4 reputable international certifications: ISO 9001 for quality management, ISO 14001 for environmental management, ISO 45001 for occupational health and safety, and SA8000 for social accountability in the real estate business and operations.

2. Vinhomes Elevates Recreational Experiences in the Northern Region

Vinhomes Ocean City: Premier venue for major cultural and entertainment events in the East of Hanoi

The highly anticipated **Call Me by Fire** concert took place on December 14, attracting hundreds of thousands of spectators to one of Vietnam's most vibrant and livable metropolises, **Vinhomes Ocean Park 3**. This spectacular event offered a musical journey through the three regions of Vietnam, celebrating cultural and national values. It promoted a spirit of humanity and patriotism, while fostering connections between different generations of audiences and artists.

130,000
visitors

sold-out within
40 minutes

While fireworks have become a fixture in Ocean City every weekend, on December 31, nearly 100,000 people gathered at the Grand World commercial street in **Vinhomes Ocean Park 2** to partake in the extravagant **Glamorous Countdown 2025**. Offering unique experiences with lively performances from renowned guest artists, the event showcased Ocean City as a dynamic destination that plays a pioneering role in fostering a sense of community.

100,000
participants

Vinhomes Royal Island: A premier destination in Northern Vietnam, attracting 2.5 million visitors in just 6 months

At **Vinhomes Royal Island**, the **Countdown to Greatness** event delivered a sumptuous feast of sound and light to nearly 110,000 visitors. This marked the first New Year's Eve celebration in the new city of Thuy Nguyen, highlighted by a spectacular 180-meter firework display. It also served as a testament to how Vinhomes' urban developments have evolved into vibrant festival cities, establishing a tourist destination that has become integral to the local area.

110,000
participants

Nearly 120,000 residents and visitors gathered at **Vinhomes Royal Island** for the **Women's Day** celebration on October 20. The event featured the beauty pageant **Hai Phong Beauty: Souls in Bloom**, which included a series of activities ranging from sports to charity. In addition to celebrating the beauty, talent, and fortitude of Vietnamese women, the event further solidified Vinhomes Royal Island's position as a premier cultural and entertainment destination in Northern Vietnam.

120,000
participants

3. Vinhomes Continues to Garner Prestigious Awards and Accolades

In 4Q2024, Vinhomes received the "**Best Residential Real Estate Developer in Vietnam 2024**" award from the prestigious magazine Euromoney and was honored with the "**Vietnam National Brand**" by the Prime Minister.

The company's major projects also garnered notable accolades, with Vinhomes Royal Island ranking among the Top 10 "**Outstanding Real Estate Projects in Vietnam 2024**" at the Vietnam Real Estate Forum 2025 (VREF), the "**Prominent Livable Project 2024**" and "**Project with Exemplary Infrastructure**" while Vinhomes Golden Avenue won the "**Most Livable Project 2024**" at the Forum of Sustainable Development of the Real Estate Market and the 2024 Livable Project Award Ceremony organized by the Vietnam Chamber of Commerce and Industry (VCCI) and Business Forum Magazine.

These accolades not only affirm Vinhomes' market leadership in the real estate sector but also recognize its commitment to developing premium living environments with superior amenities, infrastructure, and services, all contributing to sustainable development and the advancement of Vietnam's real estate market.

Well Managed Debt Maturity Profile

■ Corporate bonds

■ Bank borrowings & others

Company is in (active) discussion with international and domestic creditors to lengthen maturity profile in a stabilizing interest rate environment

- Short-term bank borrowings are mainly used to finance construction costs to minimize borrowing costs, which can be revolved within credit limit and will be rolled-over prior to maturity.
- Current portion of long-term loan will be repaid using pre-sales proceeds generated from both retail and bulk sales transactions.
- In FY2024, Vinhomes issued VND 22,400 billion of corporate bonds, proving its ability to access new capital and secure fund for project development.

Outlook for 2025

1

Robust unbilled sales and upcoming launches are driving growth in coming periods

- Substantial backlog of unbilled sales of VND 94.2 trillion as of 2024-end provides a strong foundation for future earnings.
- Presales momentum shall be facilitated by upcoming launches of new mega projects, along with continued sales at existing projects..
- Key contributors to 2025 earnings will include deliveries from Royal Island, Ocean Park 3, Golden Avenue and recognition of potential bulk sales transactions.

2

Positive medium and long term macro-outlook

- Vietnam is poised for resilient growth in 2025, set to outperform regional peers with a GDP growth target 7% ⁽¹⁾
- The government is accelerating public infrastructure investment, which is expected to further bolster overall economic expansion.
- Implementation of the Revised Land Law, Law on Real Estate Business, and Housing Law is anticipated to facilitate the licensing process, creating significant opportunities for well-capitalized developers.

Note: (1) On November 12, the National Assembly adopted a resolution on the socio-economic development plan for 2025, targeting a GDP growth rate of 6.5-7%.
